

Important Notification regarding CTS-2010 Standard

Cheques Dear Customers,

If you are currently using cheque books issued to you by RBLBank before July 2011, please apply for a new cheque book urgently. As per our earlier communication to you, cheque books issued prior to July 2011 are not CTS-2010 compliant and won't be valid henceforth.

The above requirement is as per an RBI directive under which banks are required to call back all non-CTS cheque books.

In order to facilitate clearing of residual non CTS-2010 cheques, including PDC and EMI cheques, a special clearing session shall be introduced in three CTS centres (Mumbai, Chennai & New Delhi), with effect from January 2014.

The special clearing session shall operate thrice a week till April 30, 2014, thereafter twice a week till October 31, 2014 and only once from November 01, 2014 onwards, which may result in delayed collection of the non-CTS cheques. We therefore urge you to apply for CTS-2010 standard cheque books and discontinue usage of non-CTS cheques with immediate effect.

Should you have any query pertaining to CTS-2010 cheques, please visit your nearest RBL Bank branch or speak to our service executive on +91 22 61156300 to 99 (9 am – 7 pm). You can also visit our website [www.rblbank.com](http://www.rblbank.com) for more details in this regard.
